HILO NOTES

[Associated Press by Fed. Wireless.]

HILO, July 24.—"King" Togo, a Korean who has been an employee of the Mana Stables several months, was taken in tow by the police Tuesday evening after he had created a scene at the home of James Lewis, on Pohnahawai street, where he is believed to have been attempting arson. He was acting in a peculiar manner when discovered by members of the Lewis family, and when they appeared he ran away. They gave chase and finally caught him and sent for the police. Afterwards a pile of shavings and debris was found under the lanai. It was thought he had been seeking to set fire to the residence.

Assistant Superintendent J. W. Bains of the Hilo railway was stricken by a mysterious malady while he sat at his office desk Sunday morning. Unaccountably he suddenly lost the power of speech, the stroke gradually extending to his arms and finally his brain, until he collapsed. Others in the office witnessed the incident and quickly removed him to his home, where a physician was called. Bains quickly rallied, however, and though very weak, recuperated sufficiently to be out again Monday. The attack could not be explained by the doctor and appears inexplicable.

POLITICAL NOTES

Palmer Woods' candidacy is still a matter of doubt.

Lowell K. Kapau, a member of the Hawaiian band, announces himself as a candidate for representative from the fifth district. He is a Republican.

Charles A. Rice's strength on Oahu is said to have been materially increased during the past few days. Voters in the outside precincts are declared to be dissatisfied with Delegate Kuhio's speech in opening his campaign.

Senator Charles A. Rice, Republican candidate for delegate, will not return from Hawaii until next Saturday, according to present prospects. He is making a thorough stumping tour of the island and is meeting with great success, say his supporters.

The Republican county committee held a meeting last night in committee headquarters, Vice-chairman R. M. Duncan presiding. Lawrence Judd, who has been elected to the territorial committee, has resigned from the county committee and C. W. Ziegler was elected in his place. Reports to the committee were that the Republican prospects on Oahu are exceedingly bright and that there is a big movement to Republican ranks of voters who supported the Democratic ticket two years ago.

Realizing that the growth of Honolulu has not changed conditions, nor changed public opinion regarding working hours in Drug Stores,

Chambers Drug Co., Ltd.

respectfully announce that they will continue with their standard of efficient service, as before, but will not ask their employes to work longer hours than present.

Business Hours: 6:30 a. m. to 8:30 p. m.

Daily except Saturdays.

Saturdays only, 6:30 a. m., to 9:30 p. m.

We believe the public will appreciate the stand we take.

Our New Service

The favorable reception accorded our announcement of the extension of our business hours is very gratifying and we are assured once more that our efforts to provide a first class modern Drug Store service are appreciated. The expense incurred in the increase of our sales staff is considerable but by means of a rearrangement of the working schedule the lengthening of the business hours results in a shortening of individual working hours of employes. For instance:

Every third week in rotation each portion of the staff will work from 10 a. m. to 1 p. m. and from 8 p. m. to 11:15 p. m. Total 6 1-4 hours daily.

The balance of the staff working during the day will have shorter time than at present.

Under conditions heretofore existing salesmen worked every other Sunday; under the new schedule they will work one Sunday in three.

If we had a limited sales staff it would not be possible for us to accommodate the public without demanding double service from our employes. Our determination to give Honolulu a metropolitan store service, and the men more time for out-of-doors enjoyment will be accomplished, by the change.

Beginning Monday, July 27, our store will be open to serve the public from 6:30 a. m. to 11:15 p. m. every week-day.

Sundays, 8 a. m. to 12 o'clock noon and 5:30 to 7:30 p. m.
